You came.
우울~
You look displeased.
Yeah ... ?
What's the big deal about leaving her room ?
It's not that ...
Or are you gonna miss sharing a room with a girl ?
...
Did he get angry?
Come on. Cheer up. It was a joke.
A joke !
Let me guess; you can't stop caring about her and you wanted to treat her better because you felt sorry for hiding your true identity.
But in the end, it looks as if you were kicked out for being nothing but a burden and you were feeling why you are always useless.
That sums it up, right ?
H, How did you read my mind ?!
Is she a mind reader of some sort ?
I stand by what I said. You needed to get out.
After all, you are a guy nevertheless.
And you will leave once your job is done.
You shouldn't get close to anyone.
You should stay here for the time being.
Ok ...
Stay here? Here?
Yes, here.
This is where you will be staying.
Let me see ...
It's used as a study room until 10 PM. You can sneak in after that hour and leave before 7 AM.
As for shower..., you will have to use the public shower.
And use the cabinet as a closet.
I have a bad feeling about this ...
